*Phantom, Broadway's Longest Running Show just celebrated it's 23rd Birthday! This mega-musical is based on the 1910 horror novel by Gaston Leroux! It follows a deformed composer who haunts the grand Paris Opera House. Sheltered from the outside world in a underground cavern, the lonely, romantic man tutors and composes operas for Christine, a gorgeous young Soprano star-to-be! As Christine's star rises, and a handsome suitor from her past enters the picture, the Phantom grows mad... terrorizing the opera house owners & co. with his murderous ways. Still, Christine finds herself drawn to the mystery man!*

*Both Romantic & Scary... this trilling night of theater has grand emotions! Andrew Lloyd Webber's score, with its beloved signature song "Music of the Night," sets the mood, but you may also find yourself humming, the gorgeous period costumes and simple yet grand sets! This Fabulous Production is great for all... new comers to the theater world & guests who continue to revisit the classics!*
