## SEASHORE HOUSING, LP AT A GLANCE

Seashore Housing, LP is a beautiful apartment complex for seniors and those with disabilities. Located on the picturesque grounds of Seashore Gardens Living Center, this newly constructed complex is not only attractive, but offers environmentally friendly apartment living.

One bedroom apartments feature private terraces, new kitchen appliances and ADA accessible bathrooms. Seashore Housing, LP is amazingly affordable, with monthly apartment rental cost of approximately \$700 per person including utilities.

“Seashore Housing is the perfect option for my Mom, who has limited financial resources, yet is still active and engaged in the community. We are both anxious for her to move in when the apartment complex is complete. I know I will feel better. She’ll be happier living in a larger apartment with her peers on such a beautiful campus”
