

Volunteers needed. Galloway Township residents: the Bayview Volunteer Fire Company is looking for volunteers who are interested in protecting and serving their community, friends, and loved ones. Since 1929, Bayview has been honored to serve Galloway Township, and we are looking for members to help continue that tradition. No prior experience necessary; however, you must be 18 years old, be able to pass a physical, and be able to complete a Firefighter training program within one year of joining (cost for training provided by company). If interested, please contact Chief Mackintosh at (609) 287-1849 or send an email to Bayviewfire@gmail.com.
