WHO'S READY FOR SOME GOOD, GREEN FUN?

The 3rd Annual GreenFest is once again coming to Galloway! This year's theme is Good, Green Fun and will feature fun games and activities for kids of all ages. Come celebrate, learn and enjoy all things GREEN. The Go Green Galloway Task Force, the Absecon Green Team along with the Absegami High School Earth Shepherds are joining forces to bring this sustainable living festival to the region on Saturday, May 16th at Patriot Lake, Galloway Twp Municipal Complex, 300 E Jimmie Leeds Rd from 10am-4pm.

Sponsorship for the event has been generously provided by White Horse Wine & Spirits, ACUA, AtlantiCare, Galloway Twp Business Association and Atlantic City Electric.

Many aspects of environmentally-friendly living will be represented including energy efficiency, organic farming, water conservation, native plants, recycling, and natural products. In addition, area environmental groups will be on hand for those looking to get more involved in preserving and protecting our natural resources. Local farmers will be discussing options for our residents to use locally grown produce. Collection points for old cell phones and shoes will be available.

A special Go Green Kids Zone will have games and crafts for children as The Galloway Mother's Club has worked with the Go Green Galloway team to create a fun and educational area for our young environmentalists. Family Game Stations will be set up throughout the Festival area for all to enjoy.

Local musical acts will be performing throughout the day and the Earth Shepherd Environmental Club of Absegami High School will be hosting a Volleyball competition for high school students.

A native plant sale hosted by the Master Gardeners will be held as well as the annual township Shredding Event.

Barbara Fiedler and Mary Crawford of Go Green Galloway are the co-chairs for the event. "We are so pleased by the great interest and community participation in GreenFest. All ages - from small children to teens to adults - will enjoy this festival.", stated Ms. Fiedler.

Admission is FREE for the event and the rain date is Sunday, May 17th. More information can be found at www.facebook.com/GallowayGreenfest or by emailing GallowayGreenfest@gmail.com.
